

## KS1 Home Learning Music Activities Summer Term - Week 7

We would love to see video clips of you taking part in any of our activities and to share them on our social media channels. Grownups who look after you would need to do this. Send to - [info@encore-enterprises.com](mailto:info@encore-enterprises.com)

Did you see the two astronauts blast off in the SpaceX rocket to the International Space Station last week? This week's music is all about space.

### Nursery

Learn the Moon Rhyme and actions to fly into space with the CBeebies presenters!

### Reception and Year 1

Get your air guitars out with the Alien Shuffle! Enjoy walking, talking, swimming, scratching, laughing and shaking like an alien. Maybe you could make up a dance to this song?

Count down to lift off at the CBeebies Prom “Off to the Moon”. Go for a Short Ride in a Fast Machine, meet the Clangers and float in space with a children’s choir to look at Earth from outer space with Hans Zimmer’s new piece “Earth” *The CBeebies prom lasts about an hour.*

Look at some artwork by children that was inspired by one of the pieces in the CBeebies prom: Short Ride in a Fast Machine. Perhaps you could draw some pictures based on this music?

## Year 2

Go to Mars with Dick and Dom and explore Holst’s music “Mars”.

Listen out for a rhythm that keeps repeating. It sounds a bit like the rhythm of these words

**“get-in-a space ship go-to-Mars”**

Try to say those words to fit the rhythm in the music. Switch your voices off and clap the rhythm.

If you liked this music, listen to the full piece played by the orchestra. Think of some good words to describe the music:

Can you try the rhythm “get-in-a space ship go-to mars” rhythm using body percussion? Or just make up your own body percussion rhythm like the ones Olli suggests. Have fun!

There are more body percussion beats to try here
